

CONTINUING EDUCATION CREDITS

The Great Lakes Association of Orthodontists (GLAO) is an ADA CERP recognized provider approved by American Association of Orthodontists.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The Great Lakes Association of Orthodontists designates this activity for up to 3.5 hours of continuing education (CE) credits for doctors.

CE attendance forms will be provided to each registrant upon the completion of the GLAO 2020 Virtual Annual Session. It is the responsibility of individual attendees to submit any necessary continuing education credit documentation to their individual states for verification.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

CE MANAGEMENT THROUGH AAO ONLINE – You may log onto the AAO website (www.aaoinfo.org) or log-on through the AAO app to keep your CE credit history or print a CE certificate for attendance at the GLAO 2020 Virtual Annual Session. Following log-in, there is a link directly to CE Manager. (Scroll down to the bottom of the page and click on CE Manager in the Tools column.) You may choose your session's one at a time from a dropdown list. You can then print a certificate for the entire meeting. Anyone with an AAO account may enter CE credits during or after the GLAO Annual Session. For assistance with the AAO CE Manager, call AAO at 800-424-2841.

The Great Lakes Association of Orthodontists does not review or approve of or necessarily agree with the topics, speakers and presentations set forth in this program.
