President's Report

2018 GLAO President's Welcome - Dr. John Monticello

It is both an honor and a privilege to be the GLAO President for 2018-2019. Our thanks and gratitude to Dr. Jocie Weeden for her past year as President and the resolution of the difficult challenges she faced.

Happily, she will be with the Board for another year as the Immediate Past President. Every year there is something, generally unexpected, that requires some timely and knowledgeable action. Fortunately, we have a wealth of resources and leaders to provide input. I have served on this Board for over 18 years and have found that the Great Lakes Association of Orthodontists is an association of very intelligent doctors with an abundant number of dedicated, motivated and resourceful leaders. In that light, I want

AAO Trustee Report

Update on SmileDirectClub in Arkansas

As reported in the AAO eBulletin, on Thursday, September 13, 2018, SmileDirectClub held a meeting with members of the Arkansas State Board of Dental Examiners to discuss Arkansas' Teledentistry Regulation (AR ADC 038.00.1-XXI). The regulation currently

states that an "in person" dental examination creates a proper dentist/patient relationship, and a "dentist/patient relationship must be established before the delivery of services via 'teledentistry.'"

Thanks to the AAO Component Legal Support Fund, the AAO Legal Department learned about the meeting in advance and was able to retain a top tier Arkansas lobbying firm, Impact Management Group, to represent the AAO and its interests.

The GLAO and TP Orthodontics, Inc. announce the 2019 Lindsey O. Kesling Orthodontic Resident Scholarship Award

The Lindsey O. Kesling Orthodontic Resident Scholarship Award was created to give back to the orthodontic community in a way that helps residents, by easing a small part of their financial burden. Lindsey Kesling just graduated from Indiana University and was beginning a promising career in the orthodontic industry when accidental exposure to carbon monoxide (CO) ended her life at the age of 22. Lindsey was passionate about orthodontics and the industry. Her great grandfather, Dr. Harold D. Kesling, founded TP Orthodontics, Inc. which is still owned by the family today.

TP Orthodontics, Inc. will offer the Lindsey O. Kesling Orthodontic Resident Scholarship

Award annually, to residents from the orthodontic programs in the GLAO region. [LEARN MORE](#) about the scholarship eligibility requirements, application and submission process. **Applications are due by February 15th of each year.**
